Teachers and
tutors - where the
rubber hits the
road: at the
moment we are
standing still

DOING IT

We need to internationalise the **work** – ask questions and set research tasks that have international importance

turn away from anodyne attitudes

A decorative graphic consisting of several parallel white lines of varying lengths, slanted upwards from left to right, located in the bottom right corner of the slide.

PROPOSED WORKING DEFINITION OF INTERNATIONALISATION

- ▶ Internationalisation (n) a process by which teachers become more knowledgeable about international affairs and design course materials that reflect and discuss them

alan.skilbeck@adelaide.edu.au

A decorative graphic consisting of several parallel white lines of varying lengths, slanted diagonally from the bottom right towards the top right, located in the lower right quadrant of the slide.
